

319 BC

All trace of Macedonian authority had already disappeared from India. One of the most romantic in Indian history - CHANDRAGUPTA was a young KSHATRIYA noble exiled from MACADHA by the ruling Nanda family, to which he was related. He organized a small army, overcame the

the Macedonian garrisons and
declared India free. Then he advanced
upon PATALIPUTRA - capital of the
MAGADHA kingdom, fomented a
revolution, seized the throne and
established the Mauryan Dynasty
which was to rule Hindustan and
Afghanistan for 137 yrs

Antipater, a Macedonian general died in 319 BC. He was one of the ablest and most trusted lieutenants of PHILIP II and was a friend and supporter of Alexander the Great.

When Alexander went on his Asiatic campaign, Antipater was left as regent (334-323BC) in Macedon. After the death of Alexander he

put down a rebellion of many of the Greek cities in the LAMIA War & punished Athens. By imposing a more oligarchic form of government on Athens, he drove DEMOSTHEENES to commit suicide.

Antigone was the leading opponent of the regent PERDICCAS and after PERDICCAS was defeated in 321 by PTOLEMY I, ANTIGONOS I, and CRATERUS, it was ANTIPATER who held the kingdom together. After his death 319 BC it fell apart in the wars of the DIADOCHI
